

# HUNGRY FOR BETTER CHICKEN

Satisfy Consumer Demand for Higher Standards

# Discover More Ways to Menu **GREAT TASTING CHICKEN**

From the fun of nuggets to gourmet platings, chicken has a place on almost every menu. But to really stand out, you need the delicious quality of our PERDUE® brand and PERDUE® No Antibiotics Ever chicken lines. Together, they provide a full portfolio of formats to fit every dish you can dream up across all dayparts.

Get Inspired.

All PERDUE® Chicken Is Crafted for Transparency, That Means:

## **NO HORMONES, STEROIDS OR GROWTH-PROMOTING DRUGS**

We've never used them and never will.\*

## **INDUSTRY-LEADING ANIMAL CARE**

We know exceptional animal care is at the core of high-quality products.

## **IT'S HATCHED, RAISED & HARVESTED IN THE USA**

Our USDA Process Verified Programs certify that our chickens are raised on American farms and stay in the USA through processing.

PERDUE® No Antibiotics Ever Chicken Include These Premium Menu Claims:

## **NO ANTIBIOTICS EVER**

Not in the egg, not in the hatchery, not in the feed. Our chickens **NEVER EVER** receive any form of antibiotic at any life stage.

## **100% VEGETARIAN DIET WITH NO ANIMAL BY-PRODUCTS**

Our superior feed features only the good stuff (like grains, corn and soybeans) to ensure a well-balanced diet and better tasting chicken.
