Create a Memorable Eating Experience with Heritage Duroc Pork

Rich marbling. Tender, juicy meat. Nutritious. We raise our Duroc pigs in a humane environment that promotes animal health and reduces stress—ultimately creating a more flavorful experience for your guests.

PIONEERING NATURAL QUALITY STANDARDS FOR PORK

For nearly 150 years, Coleman All Natural Meats™ has stood for humanely producing the highest-quality pork products. We established the first Natural label for livestock by USDA Natural back in 1979-80. We keep it simple to this day, raising livestock on American family farms in nurturing environments with no antibiotics ever and only vegetarian feed. All so you can menu premium, great tasting and profit-driving pork from the partner that brings you a full portfolio of high-quality proteins—Perdue Foodservice.
